

Iowa One Day Civil Rights Training

RLS & Associates, Inc. will provide the Iowa Public Transit Association with a one day training session on the aspects of Civil Rights. This course will provide an overview of the Federal Civil Rights rules and regulations specific to the public transit industry. The course will also cover such topics as Americans with Disabilities Act, Title VI, DBE, and Limited English Proficiency requirements. Furthermore, the training will include the purpose of each program; the requirements for federally funded recipients and sub-recipients, specific to each civil rights program; and how those recipients and sub-recipients need to implement and monitor their own civil rights policies and programs.
